

*This great evil.
Where does it come from?
How did it sneak into the world?
What seed, what root did it grow from?
Who is doing this?
Who is killing us?
Robbing us from life and light?
Mocking us with the sight of what we might have known?
Does our ruin benefit the world?
Does it help the grass to grow, the sun to shine?
Is this darkness in you too?*

(uit "The Thin Red Line" van Terrence Malick naar James Jones)
